

Warrington Baseball Organization Coaches Evaluation Form

To all Players & Parents:

Your participation in our American Legion and Connie Mack baseball organization is intended to be a positive, competitive and educational experience in the game of baseball. This experience is dependent on the relationship between the player and the coaching staff. This questionnaire is one of the tools we use to measure the experience, and to assist us in improving our organization and coaching staff. Any answers or information provided will be shared anonymously with them at the end of every season. That way they have time to educate themselves or change what needs to be altered. **Please evaluate each member of the coaching staff.**

General

Would you recommend this coach to continue coaching in this organization? **Yes / No**

If not. Why not?

If the coach received specific training or assured the organization that they are willing to change based upon sharing with them the results of this evaluation. Would that change your recommendation for them not to coach in this organization again?

What recommendations do you have to improve the organization?

Facilities – Playing Field

How would you recommend that we improve the playing facilities?

Facilities – Outside of playing area

How can we improve upon the non-playing area of the field?

Facilities – Sponsor Signs/Scoreboard/PA System, etc

How can we improve on anything other than the bleachers, playing area, or snack stand?

Since the facility is a Township owned property we would like to provide them input on the park and the facility itself.

What improvements would you like to see them make to Barness Park?
